

Love for God

Our congregation's response → reveals this core value → building on this Post-Covid could → first steps could be..

Insistence (realization?) that worship is an essential expression of faith.	Worship feeds us.	Increase Spiritual vitality!	Name this value! Celebrate it by sharing stories of why worship means so much. And..

Love for One Another

Our congregation's response → reveals this core value → building on this Post-Covid could → first steps could be..

Love for one another active in establishing and utilizing phone trees, emails, neighborhood drive-bys.	Church together! Body of Christ. No one is expendable.	Creating or maintaining these ways to deepen relationships once shelter-in-place lifted.	Recognize and celebrate commitment to one another. Train in conflict management or other relationship building tools. And...

Love for Neighbor

Our congregation's response → reveals this core value → building on this Post-Covid could → first steps could be..

Strong feelings of conviction that feeding hungry neighbors must continue. Willing to risk own health for neighbor!	God loves everyone.	Celebrate that serving neighbors – even anonymously – is motivated by love for them as children of God.	What could this mean for our role in God's mission with our neighbors? What changes can we make?
