THE SYNOD SEAL

Kathryn Swanson, former member of Holy Trinity, Thousand Oaks, has rendered the artist's drawing of the Synod Seal as described in the Constitution. *"The seal of this synod is a five petal rose outlined behind a cross formed of four trumpets with the image of a dove superimposed at its center. The name of this church and this synod and the year of its constituting convention form the outer edge of the seal."* (S1.21)

Kathryn has added the "weaving" of the fabric around its edges reminding us of the Installation of the Bishop, Staff, and Synod Council. *"Weaving the fabric of unity...Led by Shepherd and staff...Bringing the Gifts of the many...Serving Creatively...Here and Now...One in the Spirit...Rich in Texture...Multi-colored...Diverse...Together weaving..."*

ELCA Churchwide Goals

ELCA Future Directions 2025 goals and priority areas are for the ELCA as a whole church: congregations, synods and churchwide organizations. These are based on a shared trust and hope that the future is in God's hands. And they express what this church has collectively said is important in its future:

1. A thriving church spreading the gospel and deepening faith for all
2. A church equipping people for their baptismal vocations in the world and this church
3. An inviting and welcoming church that reflects and embraces the diversity of our communities and the gifts and opportunities that diversity brings
4. A visible church deeply committed to working ecumenically and with other people of faith for justice, peace, and reconciliation in communities and around the world
5. A well-governed, connected and sustainable church

Women of the ELCA engage in ministry, take action through advocacy, promote healing and wholeness, and support one another in their callings. This team offers anti-racism training, address domestic violence, commercial sexual exploitation, and human trafficking, and support families with special needs. They assist participants in their desire to discern God's call in their lives and to discover their spiritual gifts through workshops, retreats, resources, scholarships, and global education. They offer grants to not-for-profit organizations, both domestic and international, that support healing and wholeness for women of all ages through the affirmation and advancement of women's emotional, physical, and spiritual health.
