

Procedure for Amendments to the 2022-2023 Southwest California Synod Budget

S10.04. Any proposal to appropriate funds, whether by amendment to the budget or otherwise, which is presented to a meeting of the Synod Assembly without the approval of the Synod Council, shall be referred to the Executive Committee for a report and recommendation prior to action by the Synod Assembly and shall require a two-thirds majority vote by the Assembly for adoption.

After presentation of budget, any amendments must be submitted in writing with the person making the motion and a second signing on.

Amendments should be sent to sfielder001@gmail.com.

During the second budget session, we will entertain the amendments from the floor. The person making the amendment will follow the procedure for speaking and making a motion. The person signing as the second will second the motion. The motion will be referred to the Executive for report and recommendation.
