Verse:

How fickle my heart and how woozy my eyes
I struggle to find any truth in your lies
And now my heart stumbles on things I don't know
My weakness I feel I must finally show

Lend me your hand and we'll conquer them all
But lend me your heart and I'll just let you fall
Lend me your eyes I can change what you see
But your soul you must keep, totally free

Har har, har har, har har, har har

Chorus:

Awake my soul
Awake my soul

Verse

Har har, har har, har har, har har

Bridge:

In these bodies we will live, in these bodies we will die
And where you invest your love, you invest your life
In these bodies we will live, in these bodies we will die
And where you invest your love, you invest your life

Awake my soul
Awake my soul
Awake my soul
For you were made to meet your maker
(x2)

You were made to meet your maker

O sing to the Lord, O sing God a new song,
O sing to the Lord, O sing God a new song,
O sing to the Lord, O sing God a new song,
O sing to our God, O sing to our God

Spanish:

Cantad al Señor un cántico nuevo,
cantad al Señor un cántico nuevo,
cantad al Señor un cántico nuevo,
cantad al Señor, cantad al Señor

For God is the Lord, and God has done wonders.
For God is the Lord, and God has done wonders.
For God is the Lord, and God has done wonders.
O sing to our God, O sing to our God!

Spanish:

Cantad al Señor un cántico nuevo,
cantad al Señor un cántico nuevo,
cantad al Señor un cántico nuevo,
cantad al Señor, cantad al Señor

All creatures, worship God most high! Sound every voice in earth and sky:

Alleluia, alleluia!

Sing, brother sun, in splendor bright; sing, sister moon and stars of night:

Alleluia, alleluia, alleluia, alleluia, alleluia!

Sing, brother wind; with clouds and rain you grow the gifts of fruit and grain:

Alleluia, alleluia!

Dear sister, water, useful, clear, make music for your Lord to hear:

Alleluia, alleluia, alleluia, alleluia, alleluia!

Sing, brother fire, so mirthful, strong; drive far the shadows, join the throng:

Alleluia, alleluia!

Dear mother earth, so rich in care, praise God in colors bright and rare:

Alleluia, alleluia, alleluia, alleluia, alleluia!

All who for love of God forgive, all who in pain or sorrow grieve:

Alleluia, alleluia!

Christ bears your burdens and your fears; still make your song amid the tears:

Alleluia, alleluia, alleluia, alleluia, alleluia!

And you, most gentle sister death, waiting to hush our final breath:

Alleluia, alleluia!

Since Christ our light has pierced your gloom, fair is the night that leads us home:

Alleluia, alleluia, alleluia, alleluia, alleluia!

O sisters, brothers, take your part, and worship God with humble heart.

Alleluia, alleluia!

All creatures bless the Father, Son, and Holy Spirit, Three in One:

Alleluia, alleluia, alleluia, alleluia, alleluia!

Imago Dei

Written & performed by Nathan Sliwa

I am your creation
You will always love me
I'm crafted with your own hands
I am a holy work of art

Chorus:

Holy, holy, Lord God Almighty
You made me Imago Dei
In every gender and sexuality, it's a holy, holy Imago Dei

I am your creation
You have known me always
In me you breathed your own breath
And with your breath I will proclaim

Chorus:

Holy, holy, Lord God Almighty
You made me Imago Dei
In every race and nationality, we're a holy, holy Imago Dei

I am your creation
You have made me worthy
I'm molded from the soft dirt
Into the earth I will return

Chorus:

Holy, holy, Lord God Almighty
You made me Imago Dei
With every gift and human dignity, I'm a holy, holy Imago Dei

Worthy you made me
Mercy you gave me
(repeat x2)

Chorus:

Holy, holy, Lord God Almighty
You made me Imago Dei
Every person in perfect unity, is a holy, holy Imago Dei

Made a Way

by Travis Greene

Music Mayhem- Estelita, Antoine,
Tyrallucia, Mike, Darrion, Donovan, Paul

Made a way
Don't know how but You did it
Standing here not knowing how we'll get through this test
But holding onto faith You know that
Nothing can catch You by surprise
You got this figured out and You're watching us now
When it looks as if we can't win
You wrap us in Your arms and step in
And everything we need You supply
You got this in control
And now we know that

Chorus:

You made a way
When our backs were against the wall
And it looked as if it was over
You made a way
And we're standing here
Only because You made a way

And now we're here
Looking back on where we come from
Because of You and nothing we've done
To deserve the love and mercy You've shown
But Your grace was strong enough to pick us up

Chorus

Bridge:

And you move mountains
You cause walls to fall
With Your power
You perform miracles
There is nothing that's impossible
And we're standing here
Only because You made a way
(repeat x3)

Chorus

You made a way
You made a way
I don't know how but you did it
You made a way
I don't know how but you did it
You made a way

Don't know how but you did it (x4)

Don't know why but I'm grateful (x8)

Bridge:

And you move mountains
You cause walls to fall
With Your power
You perform miracles
There is nothing that's impossible
And we're standing here
Only because You made a way
And we're standing here
Only because You made a way
And we're standing here
Only because You made a way

You call me out upon the waters
The great unknown
Where feet may fail
There I find You in the mystery
In oceans deep
My faith will stand

Chorus:

And I will call upon Your name
And keep my eyes above the waves
When oceans rise
My soul will rest in Your embrace
For I am Yours
You are mine

Your grace abounds in deepest waters
Your sovereign hand
Will be my guide
Where feet may fail and fear surrounds me
You've never failed
And You won't start now

Chorus

Spirit lead me where my trust is without borders
Let me walk upon the waters
Wherever You would call me
Take me deeper than my feet could ever wander
And my faith will be made stronger
In the presence of my Savior
(repeat)

Chorus
